

技术参数/Specifications

1	Voltage	24VDC
2	Load Force	200N
3	Speed	no load speed 100mm/s ,load speed80mm/s
4	Stroke	200MM $\pm$ 3
5	Working Duty	10% 2min on/18min off
6	Switch type	inner limit switch
7	temperature environment	0℃ $\sim$ +65℃
8	feed back	10K Potentiometer
9	IP class	IP65

Connect the red wire+, connect the black wire-, and the actuator extend

Connect the red wire-, connect the black wire+, and the actuator retract
